FOUNDATION | OLYMPIADS

EDUCATION IS INTEGRAL FOR GROWTH AND DEVELOPMENT

Education is integral for the growth and development of an individual. An educational institution's goal is to improve society and unleash one's potential for humanity. We at Narayana believe that a student's education is complete only when we can contribute to his/her total growth in addition to providing knowledge-based and career-oriented instruction.

Narayana's courses are tailored to applicants' needs to assist them to succeed in competitive and board exams. Our centers use cutting-edge methods to prepare students for top-tier engineering and medical entrance exams. Narayana's time-tested learning equations are spreading across India to assist children from all backgrounds.

"Footprints on the sands of time are not made by sitting down". Today we rededicate the last 4 decades of our success to your dreams. I wish all our students a very successful academic year ahead.

Dr. P. NARAYANA

Founder, Narayana Group

“

Fusion of Legacy and Mastery :

Narayana's legacy of **46 Years** is augmented with the mastery of **Ashish Arora Sir**.

”

A Nationally Acclaimed Mentor of :

» **5 AIR-1 & 135+ Ranks** in Top -100 in JEE Adv, JEE Main & NEET

Hi, I am Dishita. I joined Narayana Jaipur in class 11th for NEET 2025. I am truly grateful to Ashish Arora sir and faculty at Narayana Jaipur for their support and mentorship which helped me achieve success in NEET 2025.

My parents have always been sources of inspiration as well as encouragement. Being doctors, they motivated with my worries and helped me through all highs and lows and thick and thin. I could never thank them enough.

Teachers helped fill the cracks in my armor and brush up my preparation to brick by brick build my desired score with 24/7 doubts and support. Teachers helped me create a study schedule that truly catered to my needs.

Healthy competition provided by my peers helped me to strive and achieve far more. The regular assessments helped me practice in an exam-like environment. They were NEET based and relevant to NEET exam.

I thank Ashish Arora sir who was a source of encouragement. His optimism kept me going even during my exam.

Thank you team Narayana for everything.

TESTIMONIALS OF NARAYANA JAIPUR CENTER'S TOPPERS

Hello everyone, I am Arindam Chowdhury. I have scored 715/720 in NEET UG 2024 and secured an AIR of 28. For all this success, I want to thank the NARAYANA TEAM and especially ACHISH ARORA SIR. I was enrolled in the RT-720 camp of NARAYANA and it helped me to condense my knowledge that I had gathered in the past 2 years and made me ready for "increasing the competition" as ARORA SIR always tells us and working it all together.

I hope this message of mine would serve as a great inspiration for the NEET aspirants of upcoming years and they would certainly believe in almost half a century of experience and expertise of NARAYANA TEAM and RESPECTED ACHISH ARORA SIR for getting stellar ranks in NEET exam.

Thank you.

Arindam Chowdhury

"Hello, I am Sparsh Gupta and I have secured All India Rank 33 in open category and All India Rank 2 in EWS category in JEE Advanced 2024. I joined Narayana's InfimITY camp and it helped me a lot in my preparations for JEE Advanced. Under the mentorship of Achish Arora sir and other teachers in the InfimITY camp, I was able to reach up to my potential. The after class assignments were at par with the JEE Advanced papers and I found them really relevant according to the final question paper. The questions taken up in the class were very helpful and insightful. The guidance provided in the InfimITY camp was very essential for achieving this rank. I would like to thank the whole Narayana team for helping me achieve this."

TESTIMONIALS OF NARAYANA JAIPUR CENTER'S TOPPERS

Hi, I am Avadh Hindocha. I joined Narayana Infinity SR's camp under the mentorship of Ashish Arora Sir two months before JEE Advanced 2024. I joined that camp to give a final touch to my preparation for JEE Advanced. The camp was highly helpful to me as there were online lectures for each and every chapter of all subjects. Also, there were practice sheets for each and every chapter which had a perfect difficulty level for the JEE advanced preparation. The facilities were also really good which helped to sort all my doubts. Ashish Sir was a really good role in making this journey and due to that I was able to achieve a rank of 49 in JEE Advanced 2024 and now, I am pursuing Computer Science Engineering in IIT Bombay.

AIR **49** JEE (Adv) 2024 | AVADH HINDOCHA

I am Krishnamurti Shiwali, and I am proud to have secured 715 marks in NEET 2024, achieving an All India Rank of 60. I joined the R1 F20 camp at Narayana Institute, and the unwavering guidance and support I received from the Institute and Ashish Arora Sir were pivotal to my success. The focused preparation strategies at the camp played a crucial role in helping me achieve this milestone.

I hope my journey inspires other students to work hard and trust in the guidance they receive, knowing that with dedication and the right support, they too can achieve their dreams.

Thank you once again to Narayana Institute and Ashish Arora Sir for your constant support, encouragement, and for being an integral part of my success. I'm truly grateful for everything you've done.

AIR **60** NEET 2024 | KRISHNAMURTI SHIWALI

I am Prabuddha Sinha, currently studying in 1st Sem Computer Science Engineering with IIT Delhi.

While I was preparing for JEE after scoring 99.96 percentile in mains I needed professional coaching for cracking advances.

I got excellent help when I joined Infinity batch at Narayana Institute under the guidance of Ashish Arora Sir. This supported me in practicing my problems of advance and gave me a lot of confidence. The best support was the direct guidance by Ashish Sir before the advance exam that gave me direction to approach this test with right mind set.

AIR **116** JEE (Adv) 2024 | PRABUDDHA SINHA

Attending Infinity SR's online advanced, they Ashish Arora Sir and his team, played a vital role in my JEE Advanced success. The evening lectures by expert faculty and challenging practice papers boosted my preparation skills. The structured approach and rigorous preparation helped me secure a good rank in JEE Advanced.

Multiple in-house Online Test Labs (OTL)

Narayana Jaipur Center has multiple in-house setups of computer terminals called Online Test Labs (OTL), in which the students of Narayana Jaipur Center attempt several tests on patterns of JEE (Adv), JEE (Main), NEET (UG) & BITSAT, as a part of their regular academic schedule.

In-house Narayana Experiment Lab (N-X Lab)

The in-house Narayana Experiment Lab (N-X Lab) facilitates students to practically go through a variety of experiments in order to understand the concepts at the best level so that they can solve concept based questions with ease and full confidence

NARAYANA JAIPUR CENTER COURSES : 2026-2027

FOUNDATION (Classes 6 to 10)

Class 6 IGNITE - REGULAR CLASSROOM COURSE | Course Starting : Mar'/Apr' 2026

Ignite 6 course gives a balanced platform to a student to follow a concept building approach from an early age so that in higher classes he/she can have a perfect academic command. In the early classes it is very important to gain 100% confidence in studies with a higher level ability to apply learnt concepts. Special groups are formed of deserving students with a focus on IOQM, NMTC & NSEJS

Subjects Covered	Physics, Chemistry, Biology, Maths, Reasoning			Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium	English	Class Frequency	2 Days/Week (3 Hours Evening)

Class 7 IGNITE - REGULAR CLASSROOM COURSE | Course Starting : Mar'/Apr' 2026

Ignite 7 course gives a balanced platform to a student to follow a concept building approach from an early age so that in higher classes he/she can have a perfect academic command. In the early classes it is very important to gain 100% confidence in studies with a higher level ability to apply learnt concepts. Special groups are formed of deserving students with a focus on IOQM, NMTC & NSEJS

Subjects Covered	Physics, Chemistry, Biology, Maths, Reasoning			Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium	English	Class Frequency	2 Days/Week (3 Hours Evening)

Class 8 IGNITE - REGULAR CLASSROOM COURSE | Course Starting : Mar'/Apr' 2026

Ignite 8 course gives a balanced platform to a student to follow a concept building approach from an early age so that in higher classes he/she can have a perfect academic command. The class 8 is the right stage to take a lead with ability to apply learnt concepts in challenging competitive problems. Special groups are formed of deserving students with a focus on IOQM, NMTC & NSEJS

Subjects Covered	Physics, Chemistry, Biology, Maths, SST, Reasoning			Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium	English	Class Frequency	3-4 Days/Week (3 Hours Evening)

Class 8 SIGMA - SCHOOL INTEGRATED COURSE | Course Starting : Mar'/Apr' 2026

Sigma 8 course, concurrently with school studies, enables students to build a solid conceptual grip over syllabus of taught subjects as well as develops higher order application of current concepts as a precursor to future goals. Through this course, the right academic rigor put in by a student in class 8 makes a profound effect in his/her upcoming academic tenure and future career planning. Special groups are formed of deserving students with a focus on IOQM, NMTC & NSEJS

Subjects Covered	Physics, Chemistry, Biology, Maths, Reasoning			Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium	English	Class Frequency	4 Days/Week (3 Hours Morning)

Class 9 IGNITE - REGULAR CLASSROOM COURSE | Course Starting : Mar'/Apr' 2026

Ignite 9 course enables students to build a solid conceptual grip over syllabus of taught subjects as well as develops higher order application of current concepts as a precursor to future goals of JEE (Main + Adv) / NEET. Through this course, the right academic rigor put in by a student in class 9 makes a profound effect in his/her upcoming academic tenure and future career planning. Special groups are formed of deserving students with a focus on IOQM, NMTC, NSEJS & NSEP.

Subjects Covered	Physics, Chemistry, Biology, Maths, Reasoning, SST			Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium	English	Class Frequency	3-4 Days/Week (3 Hours Evening)

Class 9 SIGMA - SCHOOL INTEGRATED COURSE | Course Starting : Mar'/Apr' 2026

Sigma 9 course, concurrently with school studies, enables students to build a solid conceptual grip over syllabus of taught subjects as well as develops higher order application of current concepts as a precursor to future goals of JEE (Main + Adv) / NEET. Through this course, the right academic rigor put in by a student in class 9 makes a profound effect in his/her upcoming academic tenure and future career planning. Special groups are formed of deserving students with a focus on IOQM, NMTC, NSEJS & NSEP.

Subjects Covered	Physics, Chemistry, Biology, Maths, Reasoning, SST			Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium	English	Class Frequency	6 Days/Week (3 Hours Morning)

Class 10 IGNITE - REGULAR CLASSROOM COURSE | Course Starting : Mar'/Apr' 2026

Ignite 10 course enables students to build a solid conceptual grip over syllabus of taught subjects so that they not only boost scoring in board exams but also develop higher order application of current concepts as a precursor to future goals of JEE (Main + Adv) / NEET. The right academic rigor put in by a student in class 10 makes a profound effect in his/her future academic tenure & career planning. Special groups are formed of deserving students with a focus on IOQM, NMTC & NSEP.

Subjects Covered	Physics, Chemistry, Biology, Maths, Reasoning, SST			Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium	English	Class Frequency	3-4 Days/Week (3 Hours Evening)

NARAYANA JAIPUR CENTER COURSES : 2026-2027

Class 10 SIGMA - SCHOOL INTEGRATED COURSE | Course Starting : Feb'/Mar'/Apr' 2026

Sigma 10 course, concurrently with school studies, enables students to build a solid conceptual grip over syllabus of taught subjects so that they not only boost scoring in board exams but also develop higher order application of current concepts as a precursor to future goals of JEE (Main + Adv) / NEET. The right academic rigor put in by a student in class 10 makes a profound effect in his/her future academic tenure & career planning. Special groups are formed of deserving students with a focus on IOQM, NMTC & NSEP.

Subjects Covered	Physics, Chemistry, Biology, Maths, Reasoning, SST	Course Duration	Upto October-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium English	Class Frequency 6 Days/Week (3 Hours Morning)

Class 10 CO-SPARK (JEE) REGULAR CLASSROOM COURSE | Course Starting : 03,10 Dec' 2025

CO-SPARK10 JEE course in for those students who have either completed or going to complete both class 9 & 10 Science syllabus by November 2025 itself. There will be separate batches for JEE aspirants and right from beginning their intensive preparation for JEE will start. With the focused preparation, the aim of this CO-SPARK batch is to achieve high ranks in JEE (Main + Adv) of 2029. Special groups are formed of deserving students with exclusive goal to crack IOQM, NMTC, NSEP/C/A & further stages.

Subjects Covered	Physics, Chemistry, Maths (English, S.S.T, Hindi & Bio for 10-Board Exam)	Course Duration	Upto November-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium English	Class Frequency 4-5 Days/Week (5 Hrs. Mor./Eve.)

Class 10 CO-SPARK (NEET) REGULAR CLASSROOM COURSE | Course Starting : 03,10 Dec' 2025

CO-SPARK10 NEET course in for those students who have either completed or going to complete both class 9 & 10 Science syllabus by November 2025 itself. There will be separate batches for NEET aspirants and right from beginning their intensive preparation for NEET will start. With the focused preparation, the aim of this CO-SPARK batch is to achieve high ranks in NEET of 2029. Special groups are formed of deserving students with exclusive goal to crack NSEP/B/C/A & further stages.

Subjects Covered	Physics, Chemistry, Botany, Zoology (English, S.S.T, Hindi & Maths for 10-Board Exam)	Course Duration	Upto November-2026
Admission Mode	Through NTSC / N-ASAT / NSAT	Medium English	Class Frequency 4-5 Days/Week (5 Hrs. Mor./Eve.)

JEE (MAIN+ADVANCED)

REGULAR COURSES & SIGMA COURSES

The Regular Courses are conducted in the classrooms at Narayana Jaipur Center Campuses in the evening hours for students of Class 6 to 12 and in the morning hours for students of Class 12-passed. The SIGMA Courses are conducted in the classrooms at a specifically arranged school location in the morning hours for students of Class 8, 9, 10, 11 & 12.

CO / SRG PEDAGOGY

- Narayana's CO pedagogy is a special academic approach developed over the years with proven result
- At Narayana Jaipur Center, the CO pedagogy is in practice for the students of class 6, 7, 8, 9, 10, 11 & 12
- CO pedagogy is to further boost those students who have readily grasped the taught curriculum so far and have demonstrated their performance in internal exams at a high level
- Students in the CO are given an additional academic rigour with which their ability to crack complex problems with speed is further increased

Note:

1. All the students at Narayana Jaipur Center remain regular in their allocated batches and there is no batch shuffling
2. The CO pedagogy is an additional boost for the students who demonstrate performance over a defined benchmark
3. The CO is an open opportunity to all students to undertake additional academic inputs at Narayana Jaipur Center subject to demonstration of benchmark performance

N-ASAT

NARAYANA ADMISSION & SCHOLARSHIP APTITUDE TEST

Your Gateway to Desired Success in **JEE (Main+Advanced), NEET & OLYMPIADS**

**Students of class 5,6,7,8,9,10 & 11
Appear in N-ASAT and win scholarship upto 90%**

Narayana Admission & Scholarship Aptitude Test (N-ASAT) is conducted on scheduled dates for admission to regular classroom courses of Foundation (Class 6 to 10), JEE Main + Adv (Class 11 & 12) and NEET (Class 11 & 12) at Narayana Jaipur Center in the applicable academic session.

Students of class 5 moving to 6, class 6 moving to 7, class 7 moving to 8, class 8 moving to 9, class 9 moving to 10, class 10 moving to 11 and class 11 moving to 12 can take N-ASAT as per prescribed test format and syllabus. Based on performance in N-ASAT scholarships up to 90% on total course fee are awarded.

Exam Schedule

- On specific dates

Registration Process

To register you may choose any of the following method :

- Fill Online form on the website ntsc.narayanatalent.com and complete the application for admission by paying Rs. 300/-
- Visit Narayana Jaipur Center for assistance in completing your application for admission and pay Rs. 300/- by Card/Cash/UPI

N-ASAT Center & Admit Card

- Test Center : Narayana Jaipur Center (As per availability)
